It's Gala Season!

It's gala season again, and we can't wait to see you soon!

I am so proud to invite you, dear friends and supporters, to A Chance In Life's New York Gala at Cipriani Broadway, which will take place on September 28, 2022. Cocktails will begin at 6pm followed by a seated dinner and program including remarks from our honorees at 7pm. This annual celebration will not only recognize the achievements of the 4,500 young people we support around the world each year, but also recognizes individuals and corporate partners like you who have helped these children along the way.

With events making their way back to "normal", A Chance In Life is working to make traditional and familiar things new again. This year's event will honor five special guests who have not only been a tremendous help to the mission of A Chance In Life but a pillar in their communities.

On behalf of A Chance In Life's Board of Directors and the ACIL team I am proud to announce Suzan Kereere, Head of Global Business Solutions at Fiserv, Debra Stabile, Managing Director/Chief Risk Officer for Legacy Franchises Risk at Citigroup, Basil M. Russo, President of The Conference of Presidents of Major Italian American Organizations and Cesar Claro, Executive Director, Richmond County Savings Foundation as this year's honorees. We are also honored to be joined by His Eminence Cardinal Pietro Parolin, Secretary of State of the Holy See, who will accept the inaugural Peacebuilders Award on behalf of the Holy See.

We can't wait to see you all later this month as A Chance In Life reflects on just a few of the Sustainable Development Goals (SDGs) we've implement over the decades surrounding zero hunger, no poverty, quality education, gender equality and climate action to name a few.

To purchase your tickets today head over to our website at achanceinlife.org. We look forward to seeing you!

Gabriele Delmonaco

President/Executive Director

NEWS FROM NEW YORK CITY

Golf Tournament Fundraising Event

On June 13, Board Member and longtime supporter Guy Chiarello hosted his annual charity golf tournament at the Forsgate Country Club. This year, A Chance In Life was so fortunate to be among the beneficiaries of this incredible event. Hundreds of supporters enjoyed a beautiful day on the links to benefit A Chance In Life and our co-beneficiaries. Proceeds from this event will support The Village for New York City and our local programs. Thank you to Guy and to all who participated!

End of School Year Campaign

A Chance In Life wishes to extend a special thank you to all those who contributed to our End of School Year fundraising appeal.

Through The Free Market at The Village, A Chance In Life provides food packages to more than 125 New York City households each week. In the community served by The Village, 1 in 3 children lives in poverty - higher than New York City as a whole.

Your donations to this summer's fundraising campaign enabled us to provide an additional 50 food packages to hungry families - thank you for your support!

UPCOMING EVENTS

Mark Your Calendar!

Mark your calendars for our upcoming events! Visit our website or write office@achanceinlife.org for more details.

You are cordially invited to the

77th New York Annual Gala

SPOTLIGHT ON OUR TOWNS

Palio della Gioventù

This summer, La Repubblica dei Ragazzi (Boys' & Girls' Republic of Italy) hosted the 67th Palio della Gioventù, the annual competition between the five 'houses' of the Town. Palio is the highlight of the season for the young citizens, but especially for former citizens and their families who return every year to La Repubblica to cheer on the current citizens. The boys and girls of Faro (Lighthouse), Tana della Volpe (Fox Den), Ponte (Bridge), Stella (Star) and Fenice (Phoenix), competed in games throughout June and July to win points for their houses. Congratulations to Tana della Volpe for winning the 2022 Palio!

A Visit from Martina Bacigalupi

This summer, A Chance In Life was fortunate to be joined for several weeks by visiting development professional, Martina Bacigalupi. Having worked in development for more than 20 years, Martina came to us from the University of Bologna, Italy to participate in an exchange of nonprofit best practices. During her stay, she met with members of A Chance In Life's leadership and helped guide strategy to support international fundraising efforts, among several other topics. In addition, Martina joined us to volunteer at the The Village Free Market on Staten Island.

"I have worked in the field of development in Italy for over 20 years and I have never experienced philanthropy the way A Chance In Life presents it. Here they celebrate the humanity in giving back."

- Martina Bacigalupi
