ACIL accepts grant proposals that align with our mission and strategic priorities. We conduct a thorough review of each proposal, assessing the organization's capacity to deliver the proposed project and manage the grant funds effectively. Upon approval of a grant proposal, ACIL and the grant recipient will enter into a grant agreement. This agreement outlines the terms and conditions of the grant, including the purpose of the grant, approved budget, reporting requirements, and procedures for amending the agreement. Grant recipients are required to submit regular progress and financial reports, as specified in the grant agreement. These reports should provide detailed accounts of project activities, outcomes, and expenditures. ACIL reserves the right to conduct financial audits of grant recipients or to request an independent audit. Grant recipients must cooperate fully with these audits and provide all necessary records and documentation.
